Letter Of Request

Greetings Clerk's Office,

My last correspondence to your office contained an (8) eight page grievance in which I wrote on the coversheet requesting a temporary restraining order, Exhibit # 10. with a date of May 10, 2007 written thereon

Will your office disregard the grievance as it is not a part of my original claim. It was error of me forwarding it. Thank you in advance

Respectfully Requested:
Johnny O'Bryant
